

SELF STORAGE PROPERTY & CASUALTY INSURANCE PROGRAM

Business Owners | Truck Rental | Workers Compensation | Builder's Risk

As a self-storage facility owner/operator you're faced with the many daily challenges to run and maintain your business. Challenge's that you rely on your partners and professional advisors to assist you with in order to run your business more efficiently and successfully.

And that's where we come in. Insurance Office of America (IOA) represents the nation's leading self-storage insurers, allowing us to match your self-storage facility with a tailored insurance program that meets your needs and budget.

Insurance Office of America is the 3rd largest privately held insurance agency with over 50 offices in the United States – IOA's Self-Storage division can handle ALL of your insurance needs and assist you with many ways to improve coverage and lower insurance costs.

THE RIGHT COVERAGE FOR THE RIGHT PRICE

Not all insurance policies are equal. A traditional insurance policy has several coverage gaps compared to our self-storage programs. Don't find out the hard way!
