

## SUPERIOR METAL STRUCTURES

### EXPERTS IN COMMERCIAL METAL BUILDING CONSTRUCTION SERVICES

From self storage facilities and office space, commercial metal buildings, RV and Boat Storage, Retail and Lease Space, we have the experts to get the job done professionally and affordably.

Superior Metal Services has completed more than 14 Million square feet of construction since it's inception. Superior Metal Services offers clients the accessibility and support of a local firm with the stability and resources of a multi-regional organization.

Since 1996, SMS has focused on building relationships. From the first phone call to the completion of every metal structure, our priority has been, and always will be, our customer. SMS works side by side with every client to provide the expert service and support your project demands.

### OUR VISION

To be the highest value provider of metal construction supply, services and technical expertise.

METAL BUILDINGS • SELF STORAGE • OFFICE SPACE • DESIGN BUILD
